Hey there,

Your Aparshit sir is here.

I have been providing Aparshit Super Current Affairs on a daily, weekly and monthly basis. Additionally, I run GA-paid groups and channels on Telegram for three years. Over the past three years, you have consistently shown me a great deal of love, support, and respect. Your numerous messages urging me to join YouTube have been instrumental in boosting my confidence and inspiring me to take the plunge. "Your support and love mean the world to me. They provide me the strength and courage to overcome any challenge that comes my way. Knowing that you're always there for me is everything. Please continue to be my rock and support me through thick and thin."

Ultimately, I want to express my sincere gratitude to all of you for giving me an abundance of love, support, and respect. Thank you so much, India.

- This potential policy follows a similar move by Australia, which recently became the first nation to enforce such a blanket restriction.
- **Target Age:** The proposed restriction would apply to children under 16.
- **International Blueprint:** Goa's IT Department is studying the Australian Online Safety Amendment Act to understand its legal framework and enforcement.
- **Driving Force:** The proposal is driven by numerous parental complaints regarding social media being a major distraction and negatively impacting children's social development.
- **Affected Platforms:** If implemented, the ban would target major platforms like Instagram, Facebook, X, and YouTube.
- **Regional Context:** Goa is the second Indian state to consider this, following Andhra Pradesh, which recently formed a ministerial panel to study similar global regulations.

Q. 8. What is the primary objective of the "hybrid ATMs" the Indian government is planning to implement?

- A) To increase the daily withdrawal limit for savings accounts.
- B) To dispense ₹2000 notes only in rural areas.
- C) To exchange high-value notes (like ₹500) for small denominations (₹10, ₹20, ₹50) and coins.
- D) To replace UPI payments with physical currency.

Answer: C

- The government is planning to introduce "hybrid ATMs" to address the shortage of small-denomination notes and coins caused by the surge in digital payments (UPI).
- **Purpose:** To address the shortage of small denomination notes and coins.
- **Functionality:** These ATMs will allow users to deposit or exchange ₹500 notes for smaller notes (₹10, ₹20, ₹50) and coins on demand.
- **Locations:** They will be deployed in high-footfall areas such as transport hubs, markets, hospitals, and government offices.
- **Status:** A pilot project is currently being tested in Mumbai.
- **Context:** This initiative runs alongside a push to encourage the RBI to print more small-denomination currency.

- **Exceptions:** In snowbound regions like Ladakh, and parts of Jammu and Kashmir, Himachal Pradesh, and Uttarakhand, the second phase will take place earlier, in September 2026.
- **Historical Context:** This marks the first time in independent India that a census will enumerate castes other than Scheduled Castes (SC) and Scheduled Tribes (ST).
- The government had recently notified 33 questions to be asked during the first phase, scheduled to begin on April 1.
- People opting for the self-enumeration facility in Census 2027—where they fill, complete and submit the document themselves—will be able to do so in 16 languages
- In India, the population Census is a central subject governed by Article 246 of the Indian Constitution, which places it in the Union List (Entry 69 of the Seventh Schedule).
- It is conducted under the legal framework of the Census Act, 1948, with the process organized every 10 years by the Ministry of Home Affairs.
- **Caste Enumeration:** Will be included in the second phase of the 2027 census, making it the first to count all castes (including SC/ST) since 1931.
- **Methodology:** The first digital census, with data collection via mobile app.

Census in India:

- During Governor General Lord Mayo's tenure, the first Census in India was conducted in 1872.
- The census was not a synchronised census as it was conducted in different parts of India at different points of time in different parts of the country.
- In 1881, when Lord Rippon was the Governor General of India, a census was conducted for the entire country simultaneously

Legislation for the Census:

- The Census Act 1948 was enacted to provide a statutory basis for the census in India.
- The census is conducted every 10 years.
- The Census is done by the Office of the Registrar General and the Census Commissioner. It comes under the Union Ministry of Home Affairs.
- After Independence, the first census was conducted in 1951.
- The 2027 census will be the eighteenth census since 1872 and the eighth since independence.
- Registrar General and Census Commissioner - Mritunjay Kumar Narayan

Q. 13. Which of the following is a "first" for the 2027 Census of India?

- A) It is the first census post-Independence.
- B) It will be the first fully digital census using mobile apps.
- C) It is the first census to be conducted in two phases.
- D) It is the first census to follow the Census Act of 1948.

Answer: B

- The 2027 Census of India will be the 16th nationwide census and the 8th since Independence.
- Originally scheduled for 2021, it was delayed due to the COVID-19 pandemic and is now the first to be conducted in a fully digital format.
- **Digital Transformation:** For the first time, data will be collected via mobile applications (Android and iOS) instead of paper forms.
- **Caste Enumeration:** This census will include a nationwide caste count for the first time since 1931.

Two-Phase Timeline:

- **Phase I (April–Sept 2026):** Houselisting and Housing Census.
- **Phase II (February 2027):** Population Enumeration, with a reference date of March 1, 2027 for most of India.
- **Special Regions:** Snow-bound areas like Ladakh, J&K, Himachal Pradesh, and Uttarakhand will have an earlier reference date of October 1, 2026.
- **Budgetary Allocation:** The Union Cabinet approved a financial outlay of ₹11,718.24 crore for the exercise.
- **Self-Enumeration:** Citizens will have a 15-day window to self-enumerate online through a dedicated portal before an enumerator visits.
- **Delimitation Foundation:** The 2027 data is expected to be the basis for the delimitation of Lok Sabha constituencies and the implementation of the Women's Reservation Bill.
- **Authority:** Conducted by the Registrar General and Census Commissioner of India (RG&CCI) under the Ministry of Home Affairs.
- **Legal Basis:** Governed by the Census Act, 1948 and Census Rules, 1990.
