- **The Insurance Regulatory and Development Authority of India (IRDAI)** has mandated the full adoption of Indian Accounting Standards (Ind AS) for all Indian insurers, effective April 1, 2026.
- This transition aligns the Indian insurance sector with global reporting standards, specifically IFRS 17.

- **Parallel Reporting:** For the first two years (FY27 and FY28), insurers must submit Ind AS financial statements to IRDAI while continuing to disclose IGAAP-based information on their websites.
- **One-Year Forbearance:** Insurers facing implementation challenges can apply for a one-year grace period by April 30, 2026, provided they have a Board-approved action plan.
- **Independent Validation:** During the first year, insurers must obtain an independent validation of their Ind AS processes from an IRDAI-empanelled auditor, in addition to the statutory audit.
